Prevea Eye Care in Howard Moved to Shawano Avenue

FOR IMMEDIATE RELEASE

GREEN BAY, Wis. —*December 3, 2009*—Dr. April Swim and the Prevea Health Eye Care department in Howard has moved to the Prevea Health Shawano Avenue health center, located at 1727 Shawano Avenue (across the street from St. Mary’s Hospital Medical Center). The move was effective November 27, 2009. Dr. Swim is now seeing patients in Green Bay on the first floor of the Shawano Avenue facility.

“This should be a seamless transition for patients,” said Dr. Swim. “The move allows us to better accommodate our Prevea Eye Care patients, since we are now more centrally located on the west side.”

Prevea Health will open an Urgent Care in the available space at the Howard Health Center in January, 2010.

This move only affects the Howard location and Dr. Swim. Dr. Swim will continue to practice at the Pulaski Health Center with Dr. Gene Flink. The Eye Care departments at the Allouez and East De Pere will also remain where they are.

For patients who have an appointment scheduled with Dr. Swim, please plan to visit the Prevea Shawano Avenue Health Center. Call the Eye Care department at (920) 272-1250 for more information.
